## DIPLOMA IN **BUSINESS ADMINISTRATION**

The Diploma in Business Administration provides students with a broad understanding of the various aspects of business. Students are exposed to both the practical as well as the conceptual aspects of business subjects so that they have the option to either join the workforce or to further their studies upon graduation.

### **Proven Track Record**

Hundreds of graduates have benefited from the learning experience and have gained employment in areas such as banking, marketing and administration, just to name a few.

### **Direct Degree Pathway**

Eligible graduates of the Diploma in Business Administration are granted direct entry into year 2 of the Victoria University Bachelor of Business Degree offered at Sunway College Johor Bahru.

## DIPLOMA IN **INTERNATIONAL BUSINESS\***

The Diploma in International Business provides students with a broad-based overview of conducting business in an international context. Students will be equipped with a sound business understanding and the necessary knowledge, skills and self-confidence to be competitive in the global market.

### **Global Outlook**

The curriculum is designed to position graduates with an international perspective, well-versed in cross-cultural understanding to navigate the complexities of a global trading system.

### **Career Readiness**

Diploma in International Business graduates possess the learning outcomes necessary to understand the international dimensions of business and are work-ready.

## DIPLOMA IN **MARKETING\***

The Diploma in Marketing offers students a comprehensive understanding of marketing concepts in carrying out business strategies. Students undergoing this programme are exposed to both practical as well as conceptual aspects of marketing to ensure that graduates are equipped with the necessary knowledge and skills to meet the challenges in the ever-changing local and global markets.

### **Market-driven Curriculum**

Study modules are carefully selected and implemented to incorporate the relevant knowledge required in the marketplace. Graduates from this programme will be fully equipped with up-to-date know-how that is highly sought after by organisations across all industries.

### **Direct Degree Pathway**

Eligible graduates of the Diploma in Marketing are granted direct entry into year 2 of the Victoria University Bachelor of Business Degree (major area of study in Marketing) offered at Sunway College Johor Bahru.

## DIPLOMA IN **EVENTS MANAGEMENT**

The Diploma in Events Management provides a sound, well-rounded overview of this discipline where students will learn fundamentals and the practical knowledge and skills required in the planning and execution of events, providing a seamless transition into the workplace and ensuring high employability.

### **Industry Relevant**

While acquiring the fundamental theory, students will also learn how to apply the knowledge through assignments and industrial attachments. The hands-on approach is part of experiential learning, which forms an important part of the study experience. While working on projects, students develop solid theoretical and conceptual frameworks for understanding the nature, characteristics and role of events. Ultimately, the learning of crucial technical skills will lead to the development of key practical business skills involved in planning, promoting, executing and managing successful events.

### **Exciting Career Prospects**

Event specialists are needed in almost any kind of industry – entertainment, tourism, property, finance, retail, fashion, sports, music and so much more! A typical day at work for an Events Management graduate is never the same as each occasion promises fresh challenges and unique situations, each requiring a different approach according to the demands of the client and industry.

## DIPLOMA IN **HOTEL MANAGEMENT**

The programme provides insights into a wide range of hospitality and management subjects to equip students with the expertise needed to embark on a successful career path in the hospitality business. The programme also includes a period of Supervised Work Experience (SWE) in hotel, restaurant or other hospitality properties where students will put their learning into practice. This enables them to gain real-world exposure as well as provide valuable work experience for their curriculum vitae and boost employability.

### **Employment Opportunities**

Studying Hotel Management does not limit one to careers within the hotel sector only. The unique combination of functional and academic content of the programme aims to develop individuals who meet the needs of the largely diverse service industry, with a curriculum that is kept dynamic and industry-relevant. Graduates will have a diverse set of skills that will allow them to join casinos, restaurants, fast-food chains, theme parks, catering and event companies, travel and tour agencies, cruise ships, resorts and hotels.

### **Graduate Employability**

Upon completion, our graduates have successfully secured employment with prominent hotels including Resorts World Sentosa, Mutiara Hotel, Le Grandeur Palm Resort, Hotel Jen Puteri Harbour, Renaissance Johor Bahru Hotel and Doubletree by Hilton Johor Bahru, just to name a few.

## CERTIFICATE IN **HOTEL OPERATIONS**

The certificate level is offered for students who require a stronger foundation in the fundamental aspects of hospitality and service skills.

### **Education Pathway**

Upon completion of the Certificate in Hotel Operations, students may progress to the Diploma in Hotel Management to build on their foundation and develop supervisory skills.

### **Dedicated Facilities**

Students require hands-on practical training in a realistic environment to hone their operational and service skills. The Hospitality Training and Education Centre (HOSTEC) is a dedicated facility that is fully equipped with a preparatory kitchen, training restaurant, fully-stocked bar, reception lobby and mock guestrooms to complement the learning process.

## DIPLOMA IN **INFORMATION TECHNOLOGY**

The Diploma in Information Technology paves the foundation for the development of IT professionals to meet the growing needs of the industry. This Diploma is especially suitable for students with strong interest in the technical aspect of IT. Students are also actively engaged in projects and industrial training to increase their employability.

### **Employment Opportunities**

The Information Technology industry has constant demand for qualified professionals to be the driving force behind technological advancements in society. As the Information Technology Department becomes an increasingly integral part of every organisation, graduates have many career opportunities ahead of them.

### **Career Diversity**

Studying Information Technology is a stepping stone for graduates to gain employment in areas such as programming, software engineering, database management and networking. Our modules cover a wide range of IT-related topics to give students more diverse career opportunities upon graduation.
