VU BLOCK MODEL

– The Smarter Way To Study

Experience a smarter, more engaging way to study with the VU Block Model, where you focus on one subject at a time. Inspired by similar models across North America and Europe, the award-winning* VU Block Model is a proven success with students, educators and employers in Australia.

Instead of juggling multiple subjects at the same time, at VU you complete one subject at a time over a four week 'block'. Typically, you finish your block on a Friday and receive your results on the following Monday, meaning you can move into your next block with a sense of achievement.

The VU Block Model focuses on developing problem-solving skills in real-world applications, and the ability to work collaboratively in teams.

Semester Plan

Each block focuses on one unit (subject) and includes all assessments.

*No.1 learner engagement (Vic), 2020 QILT Student Experience Survey & 2021 Good Universities Guide

*No.1 for employability, 2020 & 2021 QILT Employer Satisfaction Surveys

*Excellence Award, Australian Financial Review Award for Teaching and Learning Excellence 2021

*University Teaching Award, Winner 2020 Australian Award for University Teaching – First Year College Block Model teachers
