

BACHELOR OF SCIENCE (HONS) IN ACTUARIAL STUDIES

In collaboration with Sunway University

(N/462/6/0039)(01/29)(MQA/PA 15073)

Actuaries evaluate and manage financial risks and prepare businesses and the financial services industry to face future uncertainties. Undeniably, actuarial skills are highly regarded qualities proven by our actuarial graduates with successful careers in insurance, takaful, risk management, consulting, banking, finance, data analytics and financial institutions.

Enrol in our QS 5-STAR ranked actuarial science programme taught by qualified and experienced academics and industry experts to ensure you are fully prepared for a financially rewarding career. You will also have the chance to join the Actuarial Practice Course (APC) conducted by in-house actuary to delve into hands-on actuarial work that will greatly enhance your employment opportunity upon graduation.

Being fully accredited by the Institute and Faculty of Actuaries (IFoA), students could be exempted from up to six out of thirteen professional examinations required to qualify as an actuary. Combine your passion of mathematics and problem-solving skills and kick start your actuarial journey with Sunway University.
